

OMA reports that the Monterrey airport is operating normally

Monterrey, Mexico, August 6, 2010—Mexican airport operator Grupo Aeroportuario del Centro Norte, S.A.B. de C.V., known as OMA, announced that the Monterrey International Airport has been operating without interruption today.

Three Interjet flight departures that were cancelled today resulted from decisions by the airline, and were previously notified to the airport.

OMA confirms that operations at the Monterrey Airport are normal, and recommends that passengers always check with their airline regarding any questions on flight arrivals or departures.
